Angels, angels...

I tried my best until now because I thought there was a place for me somewhere...
...but now that I think about it,
If mom never divorced dad to take care of grandma...
...if I passed the exam for a high school in Tokyo...
...if I never tried to help A-chan...
All of this...
...I would never have had any regrets and fallen into despair.
...can I ever be happy again?
Ah...
Even weak people have the right to laugh,

Merry Christmas and a Happy New Year to you all~ <3
I'm so sorry I haven't done anything for anyone yet, blame my educational life I promise I'll start working now! My New Year resolution is to not procrastinate and start working on whatever I am working on earlier than I do presently. What might yours be?
Shinko

Merry Christmas, Hanatime!
Even though I'm new to the team, I'm glad that I already feel loved by you guys
I hope everyone will be happy this Christmas!

Wow, it's been 6 months since Hime and I started this group. I can't believe we've made it this far, and that all these awesome people have joined us. We weren't too confident at the beginning, and we really didn't know where to start. A couple groups helped to get us going, we've had some ups and downs with some of them, but no matter what we want to thank all of those groups who gave us a chance. It's amazing, without all these people, it would just be Hime and Hime, kicking it back - chatting. So I want to take this chance to really, truly, seriously thank you all, readers, groups, and staff, for supporting us. We really truly appreciate it, and we're so happy to
Thanks for celebrating our first Christmas together, and we wish you a very Merry Christmas and Happy New Year! =3
-Hime
Feke Navidad & Tada!

Dear readers and Hanatime Staff
Merry Christmas everyone!
I've only been with Hanatime a couple of months but am having an awesome time! I just love strolling through readers comments on manga I have translated and hope that you continue to read my amateur and skillless translations in the future!
Happy holidays!
-Rieutte
Happy Christmas everyone and wishing you an awesome new year. Hands have been tied a bit (with all the awesomeness here in Japan) so I've been a bit of a bad translator. *slaps hand*
Here's hoping I reform my lazy attitude~
-Mazzax
We can't believe we've made it to our first Christmas. All these staff members who surround me, our joint partners and our few, but lovely readers, it's all thanks to you and I want to say thank you for doing this with us. I'm really happy and thankful, I'm very new to this admin thing so I really appreciate every one's guidance and opinions. Please guide and support me in the future too! I wish you all a very Merry Christmas and a Happy New Year! I hope we all have many more to come together.
